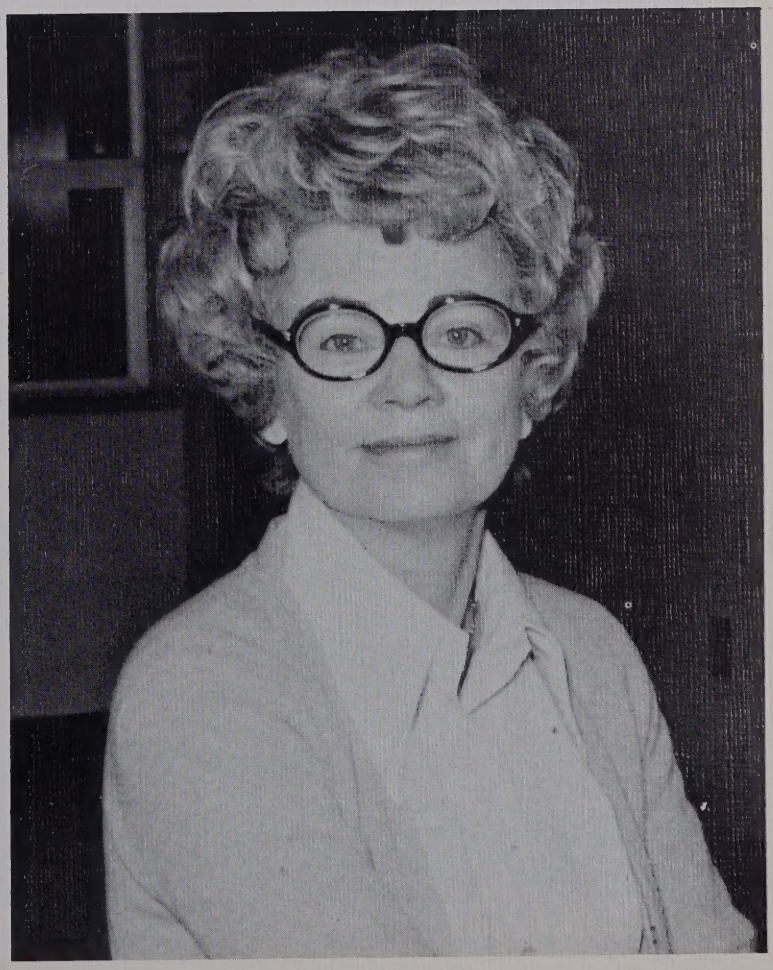
Dedication Of '74 Reflector

This year the Reflector Staff is proud to dedicate the '74 Reflector to Mrs. Elfreda Johnson. During the past 17 years she has lent inspiration and leadership to Buckeye High School in her direction of the vocal department. She instituted the Spring Program, which has become a school tradition. Since starting this, she has never failed to create just the right combination of song and dance entertainment which would delight any audience. Her patience and good spirits during the long months before performance and her ability to cope with last-minute problems have been steadfast. The superior ratings earned by students at the Ensemble and Solo Festival in the spring are evidence of her professional proficiency. Mrs. Johnson has done a great deal for the students here and we hope that this book will repay in part the efforts of such a remarkable teacher and friend.



The Beginning Of A New Frontier

Mr. Beard gives the Invocation.

Mrs. Derck presents the flag for the school to Mr. Clarico.

Mr. Bogard makes the necessary introductions.

Mrs. Sutton shows off her new Home Ec room to interested visitors.

On September 16, 1973, Buckeye School District opened the doors to the future. This was the dedication of sparkling new Buckeye Senior High—built to offer bigger and better opportunities to the students and to accommodate the ever-increasing enrollment.

The dedication itself was held inside the new auditorium, where James Crawfis, representing the architectural firm responsible for designing the building, presented the key to the school to Mr. John Rea, School Board President. This key was then given to the principal of Buckeye, Mr. Don Clarico.

This day was the beginning of a new frontier to be explored and conquered by the students of Buckeye High School.

Mrs. Derck supervises the refreshments after the dedication.

Architect James Crawfis presents the key to Mr. Rea.

Mr. Rea turns the key to the school over to Mr. Clarico.

Buckeye Means Trying New Ideas

A new school . . . new features . . . new activities. A touch of newness was lent by the Noodle Bug on its daily jaunts from the Jr. High kitchen to the Sr. High cafeteria. Seniors tried to "hide away" in their cafeteria study halls, as Zach demonstrates (under his coat). Gymnastics, first offered this year, was complemented by the new mats, bars, balance beam, and horse—all the better to coordinate us! With scattered "hushes" from faculty, we learned to cope with doorless classrooms and auditorium study halls. Teeny lockers compounded confusion; cheerleaders and wrestlers rejoiced in the use of the new mezzanine for practice; and a new "open library" (Instructional Materials Center) with study carrels and other additions livened our days. The great big, beautiful gym hosted Class A basketball sectionals and breathed easier at sports events due to added space. It's new and all ours!

Buckeye Means Being Yourself

It's doing your job the best you can
And being just to your fellow man;
It's making money—but holding friends
And true to your aims and ends;
It's figuring how and learning why
And looking forward and thinking high
And dreaming a little and doing much . . .
It's struggling on with the will to win
But taking loss with a cheerful grin;
It's sharing sorrow and work and mirth
And making better this good old earth;
It's serving, striving through strain and stress;
It's doing your noblest—that's success!

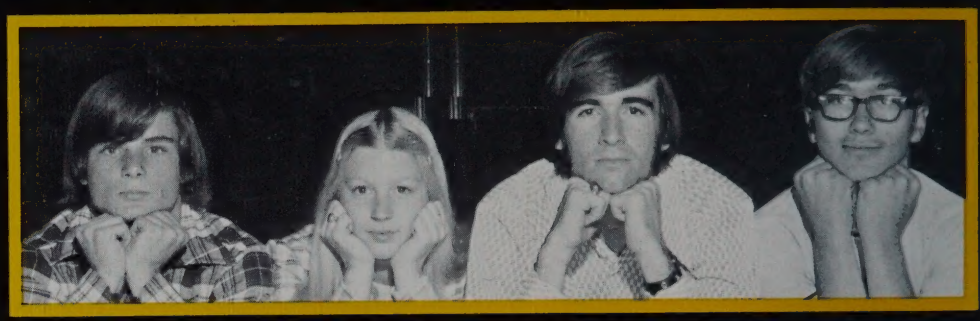
SENIORS

Seniors Look Toward The Future . . .

As the class of 1974 graduated, it marked the end of a year of change. Seniors spent their last year in a new building and experienced several changes in curriculum, including one-semester government classes. The class played for Homecoming in the fall and were guests of the juniors at the banquet and Prom. The senior girls, with the aid of underclassmen, battled Medina in the powderpuff game. Seniors had the chance to voice their opinions on current issues by participating in a mock legislature.



Class Officers—Secretary, Ken Burns; Treasurer, Amy Winebrenner; Vice-President, Dan Bargar; President, Don Leonard.

Girls' Sports Blossom At Buckeye

Just into its second year of competition, the girls' sports program boasted of several winning records, valuable experience, and lots of fun for all girls involved during the '73-74 school year. Under the instruction of coach Joyce Cain, the softball team earned a 6-1 record. The volleyball team ended its season 4-8, coached by Mrs. Webb, Pam Nolan, and Dee Lamphear. Mrs. Webb guided the roundballers to a 6-2 record, and the track team finished the year 0-2 in dual meets, placing 12th in the Columbia Invitational and 4th in the Inland Conference meet also. They were coached by Mrs. Webb and and Miss Patterson.

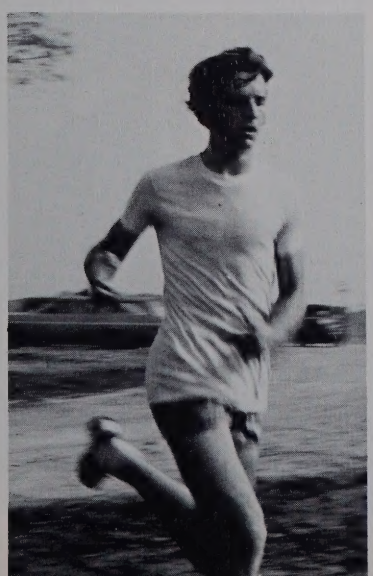
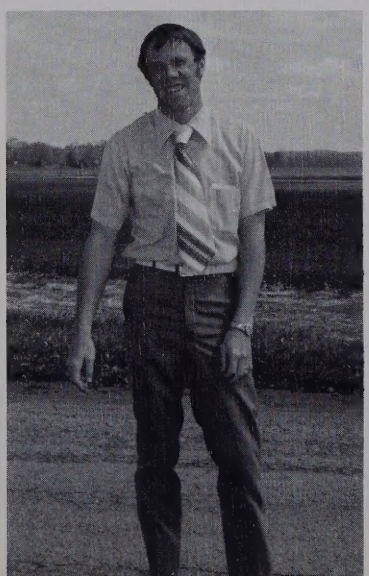
This Is The Year Of The Proud Buck!

Cross-Country Bucks I.C. Champs Again!

D. Cleveland, M. Kanzeg, D. Kanzeg, D. Crumpler, S. Dillon, E. Davis.





RETURNING LETTERMEN: D. Crumpler, M. Kanzeg, E. Davis, D. Cleveland, D. Kanzeg.

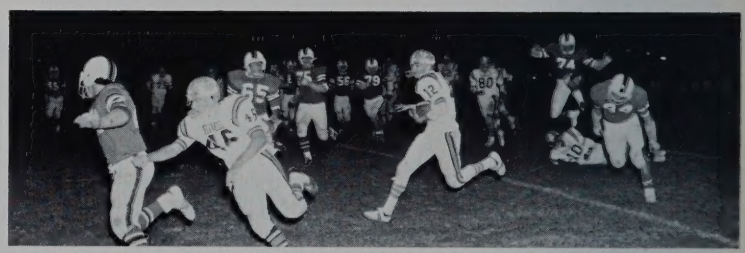
The school year's athletics started off with a victorious cross-country season. Under the direction of Coach Amonett, the strenuous practice and hard training were initiated and proved to pay off. With five out of the six team members as returning lettermen, they had a firm base for triumph.

AT LEFT: Coach Rod Amonett.

Pride Evident In Winning Season

ROW 1: K. Moran, B. Dessoffy, T. Keller, S. Union, P. Schaefer, K. Burns, B. Casper, K. Cullin, T. Keller. *ROW 2:* Coach Clark, Mgr. T. Hayden, T. Kruse, D. Balliet, M. Culp, J. Medley, R. Striker, J. Creamer, C. Jones, Coach Schar, Coach Lewis. *ROW 3:* C. McCollum, R. Striker, M. Wurstle, K. Hinman, D. Johnson, J. Morlock, T. Haury, B. Peters, K. Law, D. Nolan. *ROW 4:* Mgr. J. Hayden, B. Patrick, C. Piovarchy, K. Wurstle, L. Brubaker, P. Schumacher, M. Hawley, G. Berger, J. Basile, H. Miller, D. Palmer.

The B.H.S. football team compiled an impressive 7-2-1 overall record in the fall of '73. A fine team when the play began, they grew into more and more of a smoothly working unit as the season progressed. The season was sparked by the end of a losing streak with Highland. On a remarkably sloppy field, our guys hit 'em and held 'em to close at a 6-6 tie.



Experience Lends Guidance

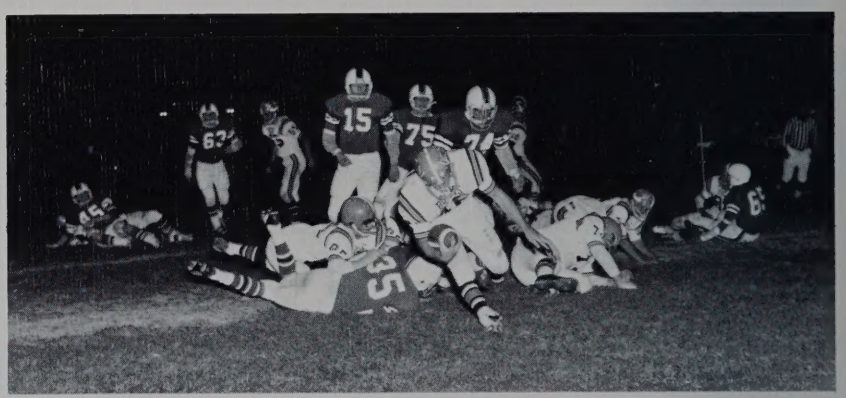
T. Clark, Defensive Coach; M. Lewis, Head Coach; R. Schar, Offensive Coach

Managers: T. Hayden, J. Hayden.

A returning crew of eighteen lettermen spiked the team's young line-up to give depth and experience in the '73 season. The coaching trio of Lewis, Clark, and Schar provided a basis for learning and discipline.

Returning Lettermen

ROW 1: J. Medley, M. Culp, B. Casper, K. Burns, P. Schaefer, B. Dessoffy, P. Schumacher, L. Brubaker. *ROW 2:* K. Wurstle, T. Kruse, S. Union, T. Keller, T. Keller, K. Cullin, D. Balliet, M. Wurstle, D. Johnson, T. Hayden.



Hey, does Coach Clark have a severe case of heartburn or is that a signal for an Apache regular defense?

Victory Precedes Festivities

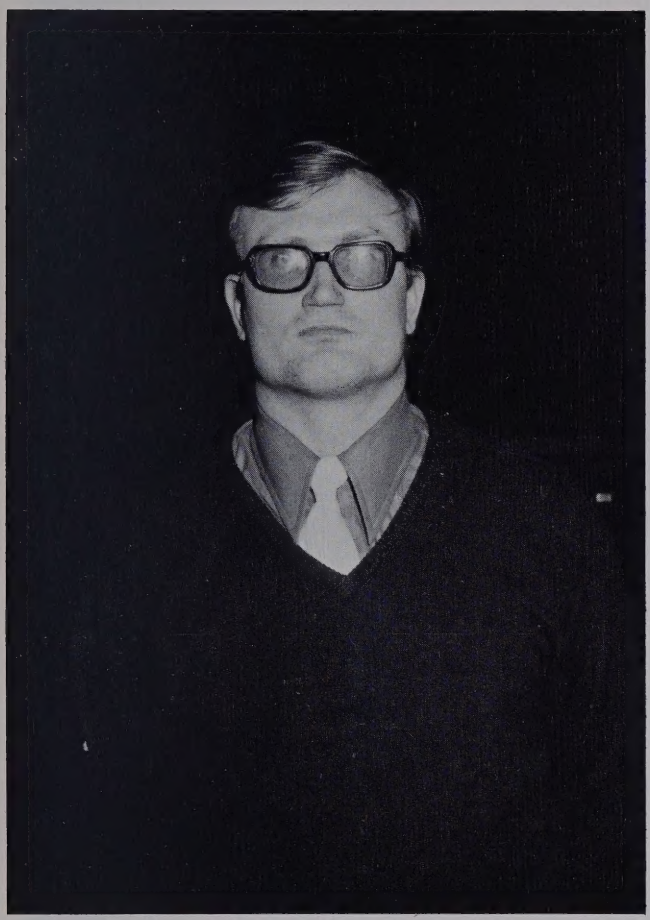
Following a victory over Lutheran West, Buckeye held its traditional Homecoming Dance in the new gym. Amy Winebrenner was crowned by the 1973 Queen, Donna Muntz.

The new queen and escort, Steve Union, then led the Grand March. Appareled in royal blue velvet dresses, the court and escorts consisted of: Miss Cindy Swingle, Mr. Mike Culp; Miss Laura Brysacz, Mr. Tom Keller; Miss Karen Woodhall, Mr. Paul Schaefer; Miss Sue Evin, Mr. Ken Burns; Miss Kim Carver, Mr. Kerry Cullin; Miss Joan Huttinger, Mr. Dennis Balliet; and Queen Amy Winebrenner, Mr. Steve Union.

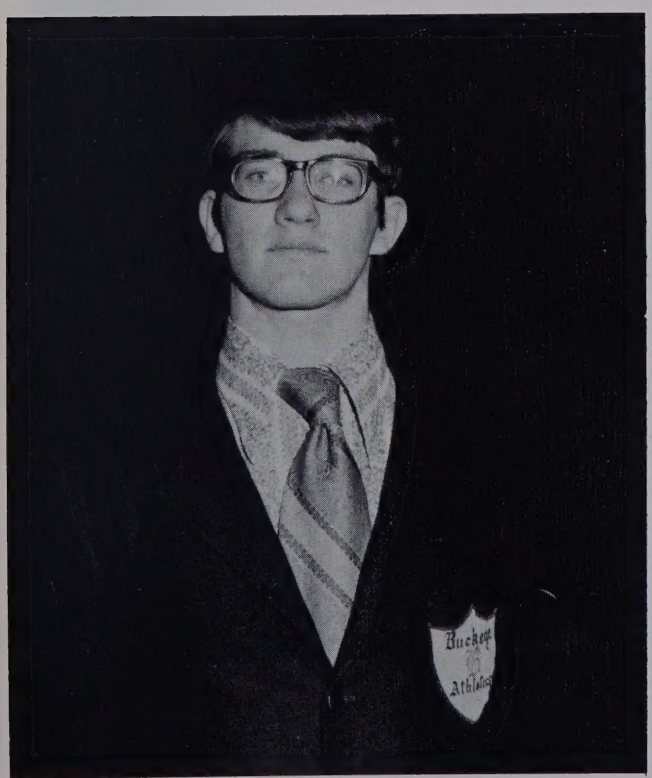
Grapplers "Put The Moves" To Foes

ROW ONE: K. Law, S. Wiltheiss, J. Creamer, K. Shaw, H. Hawk, T. Wolff, R. Striker. *ROW TWO:* J. Tinney, K. Moran, M. Steele, B. Rowland, D. Borling, R. Goodwin, J. Kerschmar. *ROW THREE:* Coach Lewis, K. Cullin, K. Burns, F. Sandor, D. Schultz, D. Palmer, T. Hayden. *ROW FOUR:* R. Mallasch, D. Johnson, G. Berger, A. Beshire, R. Striker, J. Basile.

Competition Welcomed By Bucks



Head Wrestling Coach: Mr. Mike Lewis



Manager: Thomas Hayden

Returning Lettermen. *ROW ONE:* D. Schultz, K. Burns, F. Sandor. *ROW TWO:* K. Cullin, A. Beshire, H. Hawk.

The 1973-74 Wrestlers showed their true determination as they ran the mezzanine steps, suppressed stomach growls, and grappled their way to victory. Although none went past Districts, the entire "wrestling family" proved their superior skills to all. Their slightly lopsided record does not show their true mettle, either.

The six returning lettermen gave Coach a solid base on which to build the younger members of the team. The lettermen's past experience and confidence profitably rubbed off on the new wrestlers.

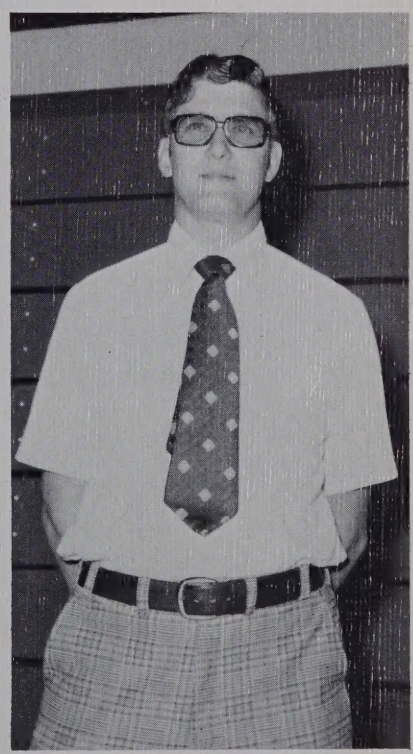
Varsity Bids Farewell To Coach Sparr

S. Yuhas, S. Union, M. Wurstle, T. Keller, C. Piovarchy, T. Keller, J. Morlock, K. Wurstle, T. Kruse, D. Crumpler, J. Medley.



Mr. Leo Sparr, Varsity Coach.

The returning lettermen for the 1973-74 basketball season, as pictured above, are Steve Union, Tom Kruse, Tom Keller, and Dave Crumpler. At practice and games, their past experience was of value to both Coach Sparr and their fellow teammates in the season's goals: pride, hustle, and desire.

Coach Leo Sparr, varsity basketball coach and athletic director at Buckeye High School for quite a few years, is retiring as varsity basketball coach as of the end of the 1973-74 season. He will remain the Bucks' athletic director and physical education teacher. Thank you for all your hard work, Coach!

Kramer's J.V.s Post Winning Season

Led by Coach Robert Kramer, the 1973-74 junior varsity basketball team leapt and shot to a victorious season. It was a young team, comprised solely of sophomores, yet they developed their skills and proved themselves capable ballplayers.

Coach Kramer and his team had previously worked together, as he stepped up from frosh coach in '72-73 to J.V. coach this year.

ROW ONE: Manager, G. Wagner, Coach, R. Kramer. *ROW TWO:* R. Mull, J. Brackney, J. Thornton, J. Petrisin, J. Morlock, T. Haury, B. Bihn, S. Roberts, S. Dillon, M. Hawley, D. Tibbitts, S. Miller.

Crumpler broke his own record in the two-mile, while Bob Yost broke the pole-vault record that was set two years ago. The large group of returning lettermen and the able coaching staff teamed up to develop a very competitive team. Coach Schar headed the team. (photo unavailable)

Juniors Pass Halfway Mark

Junior class officers are Melanee Miller, V. President; Ted Wolff, President; Cheri Houston, Secretary; Stella Socha, Treasurer.

The new school helped get the juniors off to a good start. They kept themselves busy working in the concession stands during basketball season, picking up papers for their paper drive, selling magazines, and also selling Rex. All proceeds went toward the junior-senior banquet and prom which were held the same night and which proved to be a success. The evening included a movie and breakfast.

Do you Juniors ever stop eating?

Gardens Enchanting

This year, prom turned out to be an evening to cherish for everyone. The theme, "Japanese Gardens," was enacted by the junior class in life-like tradition. The festivities started with the banquet, where sophomores served a delicious dinner prepared by the parents of the upperclassmen. Prom itself, following the meal, was held in the new gym. There, juniors had transformed the sports arena into a garden of bewitching beauty. From the gym the action moved to the auditorium, featuring a movie, "The Getaway." The long evening closed with breakfast served to those lasting out the varied activities. Banquet and prom on the same night worked out extremely well and proved to be an enchanting affair for all who attended.

Bryan Keaton

April 13, 1974

If the hands of time were hands that I could hold,
I'd keep them warm and in my hands they'd not turn cold.
Hand in hand we'd choose the moments that should last;
The lovely moments that should have no future and no past.
The summer from the top of a swing
The comfort in the sound of a lullaby
The innocence of leaves in the spring.
But, most of all the moment when love first touched me!
All the happy days would never learn to fly,
Until the hands of time would choose to wave goodbye.

Looking forward to performing in the new school, the choir began the year practicing earnestly for such events as the Christmas program and annual music festival in April.

Under the direction and guiding hands of Mrs. Elfreda Johnson, members of the group prepared for their first performance in the new auditorium. Hours of frustration and hard work finally proved to be well worth the effort as the choir presented the Spring Fling, featuring songs from the movies. Songs included excerpts from "Annie Get Your Gun," "Gone With The Wind," and "Love Story." The choir finished the year singing at baccalaureate.

National Honor Society Inducts Sixteen

The Buckeye Chapter of the National Honor Society had the pleasure of inducting the smiling faces of sixteen fellow students into the nation-wide club. With proud parents looking on, the honored sixteen were pulled from the audience at a special assembly and robed, flowered, and corded. After the tapping ceremony, the new and old members together recited the National Honor Society creed. New members were honored guests at a reception at the close of the ceremony.

The Latin Club has been made into one of the most popular clubs at Buckeye due to the hard work and dedication of Mrs. Keller and devoted students. One of the highlights of the year is the annual Latin Club Banquet. The main course was an old Roman delicacy—pizza. Coke and 7-Up were also served—a real American touch.

French Club Active In 73-74

The French Club has had many exciting projects this year. They raised money by raffling off a radio with the lucky winner being Don Ribbeck. Some members of the club held a baby shower for Mrs. Yedidson, which is quite a switch from the usual club activities. The annual Talent Show was once again a huge success. Vocal, instrumental, and comedy acts comprised the show and prizes were distributed to the most appreciated acts. The members of the club visited a French restaurant and ate heartily of the succulent foods that are widely enjoyed in France. Bowling averages were either improved or dropped as the students tried their luck at the bowling alleys.

The 1973-74 chapter of the Future Teachers of America fulfilled their goals of familiarizing themselves with the fundamentals and tactics of teaching. Teaching was done in all the district schools by the eager future educators, and many lessons were learned on both sides of the desk! Plans were discussed for a forum on how to handle the problems that have to be faced in the classroom, and assorted activities and services were performed for the school.

Student council members this year found themselves caught up in a flurry of activity as they carried out many functions. In order to raise money to allocate to various causes when it became necessary, patches and posters were sold by councilors. When the many problems arose in the cafeteria, with students creating debris and discarding forks, the council was asked to come up with a solution, or at least try to think of one. Various approaches were tried, and some progress was evident. The constitution of the council was changed this year, with approval by the student body in the spring. A breakfast in April was planned and enjoyed.

Chemical, Mechanical, Biological—Science Skills

AVA members, responsible for care of AVA equipment, found their new headquarters in the magazine-AVA room. The club boasts such new equipment as a laminator, video-tape machine, and a movie projector.

The laboratory assistants are very special people to both science teachers and those students having trouble with experiments and projects. They aided instructors by grading tests and by helping with classroom demonstrations.

Sing, Sing, A Song

"Sing, Sing a Song" seemed to be the theme of Mrs. Johnson's glee groups this year as they harmonized their way through another year of fun and hard work, which resulted in the production of beautiful music for many school functions. Lilting melodies and dance steps were living proof of the enthusiasm and spirit that inspired this group.

Mrs. Johnson has dedicated much time and effort to make the spring musicals the success they always are. Hard work through the many years of study she put in at Kent State University and the headaches of planning the spring musicals make up proud to dedicate this 1974 Reflector to her.

The members of the Future Homemakers of America had various activities this past year. Some of the girls attended the campout with the GAA, while others went to the Home and Garden Show. Still others sold candy canes and other types of confections. Nine members of the group attended the State Conference, and the fathers got in on the act by participating in "Daddy Date Night." The girls made sure they kept their cute "little?" figures by going out to breakfast one morning. The club also made puppets and gave a puppet show for the children at the Weymouth Achievement Center on Valentines Day.

This year's members of the Girls' Athletic Association were quite a busy group. Although the girls' athletics program was organized last year, it went into full swing with the advent of the 73-74 school year. After-school activities were organized, the annual campout in the gym was held in March, and various other new programs were instituted. The adviser, Mrs. Webb, gave much time and effort to their many projects. One must admit that this year's G.A.A. gave their talents to B.H.S. admirably. In honor of the growing interest and participation in the field of girls' athletics, further pictorial and editorial coverage will be found in the main sports section.

In the Girls' Athletic Association-sponsored sports, coaching assistance was given by Dee Lamphear and Pam Nolan. The hard work, the high of victory, the letdown of loss—these all became acquaintances of all members of the club and competing teams. Service And Skill Evident In Clubs

If you were approached in the hall and asked to buy a mouse, your leg wasn't being pulled; it was only a Y-Teen trying to raise money for cancer research. If you were requested to spend a few cents for a vote for the guy with the craziest legs, you were again being asked by a Y-Teen. Other activities sponsored by the Y-Teens were the carnations sold on Valentines Day and the huge basket of food gathered for a needy family at Christmas time. A delegate was sent to the State Conference to bring back ideas for improving the club.

The Industrial Arts Club was full of very enthusiastic guys this year. These hard working club members strived all year to design and build projects.

The members of the club, along with Mr. Wurstle's time and help, took first place in the annual door decorating contest this year. This is becoming quite a custom at Buckeye. Their superior woodworking and metal crafting skills lent themselves quite handily to the feat of winning this contest two years in a row.

The members of the club also planned their annual weekend trip to Dearborn, Michigan, to visit the Henry Ford Historical Museum and Greenfield Village.

Buckeye's lettermen have excelled in all sports this year—if not in the winning final score, then in the spirit, enthusiasm, hard work, and good sportsmanship put forth during the practices and actual games.

Senior lettermen showed their special "spirit" by lending their voices to cheer the senior powder-puff football team on to greater effort and drive. They got so carried away that it was hard to suppress them from running onto the football field and playing football along with the girls.

The lettermen helped improve their strength and physique by gorging themselves on donuts and milk on "donut days."

The club traveled to Columbus to witness the Ohio State "Buckeyes" defeat their opposing team.

The Library Club moved into a new home this year—the IMC. The Instructional Materials Center is much the same as a library since cataloging, recording, and circulation of books and magazines take place here. Library Club members assist Miss Cain, advisor, in checking books in and out, shelving books, and taking attendance rosters to study halls. To go with their new home, new books have been purchased and will be in circulation by next year. Old books have been repaired by members and gifts of books have been catalogued and are now in circulation. The club raised money for projects by selling candies.

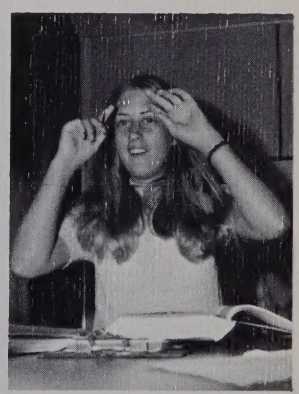
To be on the Spectrum editorial staff and publication staff is an honor bestowed upon those Buckeye students who feel a literary calling. Besides sounding like such a glamorous job, it is also a lot of hard work and "nosing" around for news. Artistic ability and well-written articles are the main features of Buckeye's paper. The concentrated effort put into the paper is evident in each and every issue of the Spectrum.



Sherri has much reason for wiping her brow as getting the Spectrum ready for publication and seeing that sales go well cause her much anxiety and lack of leisure time. Being editor of the school paper is not an easy job and much luck is wished to next year's staff.

Skill Needed For Accomplishment

The officers of V.I.C.A. best typify the goals of the work programs in the schools. Man is challenged today to excel in almost every endeavor . . . those who do succeed often trace the beginnings of their performance pattern to accomplishment in high school and to those who offered stimulation and inspiration in these formative years. Josten's has long been a partner to these educational leaders in providing a means of motivation and the rewards of recognition, and Josten's products have become tangible symbols honoring perseverance and achievement.

The class ring is representative of the fine traditions of school spirit and unity. The yearbook provides a lasting memento of the year's accomplishments. The diploma is a lifelong record of scholastic success. The graduation announcement heralds this achievement. Awards recognize academic and athletic leadership.

Annual Staff Tackles Big Job

ROW ONE: B. Moehle, A. Winebrenner, K. Moehle, S. Holda, J. Huttinger, M. Neumeyer, T. Hayden, N. Metzger. *ROW TWO:* J. Hayden, Mrs. Leach, C. Swingle, J. Butcher, P. Brown, K. Carver, S. Evin. *ROW THREE:* K. Thomas, S. Hutchens, T. Reusch, K. Dillon, S. Parfitt, T. Kiene. *ABSENT:* D. Ferry, S. Johnson.

The 1973-1974 school year proved to be no different than any other for the Reflector staff as deadlines popped up and minor crisis developed at the most inopportune times. As always, the '74 staff equalled the task of meeting those problems, with the expertise of advisor Mrs. Leach and Walsworth representative Farrel Hahn. Covering the events, daily happenings, and novelties of the new Buckeye Sr. High School added incentive to staff members, who hope that the final product lives up to the expectations of those eagerly awaiting its publication.

Exchange Students Brighten Buckeye

Buckeye's foreign exchange student program continued its growing ways during the 1973-74 school year with the presence of Ana Maria Mejia and Virginia Ramos. Ana Maria, from Cali, Columbia, spent the entire year at Buckeye. She was chosen student of the year by the NHS. Virginia, from Bogota, Columbia, came for the final three months of the year. Their sincere and friendly ways made them a welcomed addition to Buckeye.

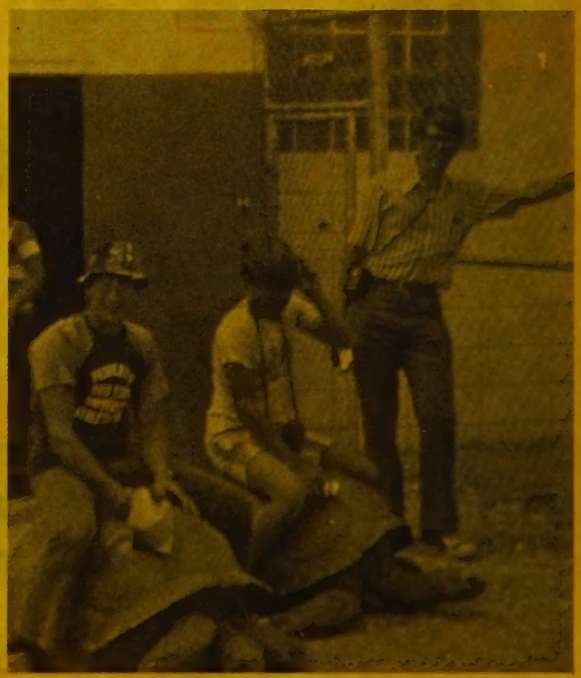
Field Studies Keeps On Truckin'

Participants of past trips include, in car: Mr. Carico, Miss Cain, Sue Evin. *STANDING:* Mr. Leget, Sue Huttinger, Mr. Clark, Mr. Kramer, Mr. Burnett, Ted Wolff, Alan Beshire, Nancie Metzger, Sue Foote, Mrs. Burnett, Bonny Bell, Peggy Bihn, Dave Rea, Richard Young, Dale Tibbitts, Matt Steele, and Pete Wotowiec.

The brainchild of teacher and friend Mr. Robert Leget, the Buckeye Field Studies group had its beginning in 1972, when 20 students and teachers left for South Dakota and a lot of adventures. The trip, paid for by the students and chaperones themselves, turned out to be a fantastic success, and what was an experiment has now become an annual summer experience for those able to afford the expenses and meet the necessary qualifications.

On June 11, 1973, 15 students and 5 teachers left for a nine-day tour of the Badlands, Black Hills, and Rocky Mountains. Days were long, filled with many hours of driving and lots of sightseeing and excitement. At night, the group found the time and energy to inhabit the pool or venture downtown to the famous Wall Drug Store. Highlights of the trip included climbing 1,400-foot high Bear Butte, and watching the Rockerville Mellerdrammer.



Is this a famous landmark, Mr. Leget?

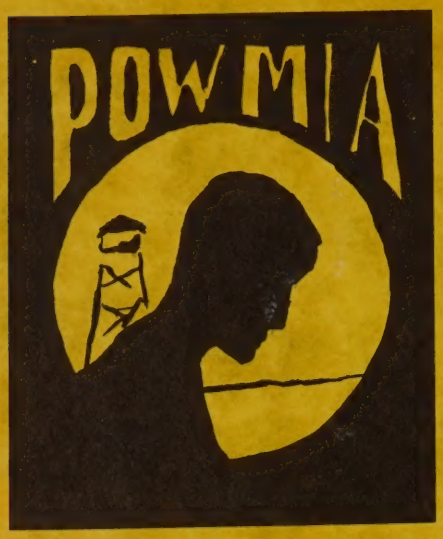
MIA—Missing Or Captured? Only Hanoi Knows



The above heading is shown on billboards, bumper stickers, and pins across the country. They are all distributed by a concerned organization called VIVA. The 1973-74 staff of the Buckeye Reflector is concerned also, and wishes to dedicate this small portion of the Reflector to the MIA cause.

I AM AN AMERICAN PRISONER OF WAR

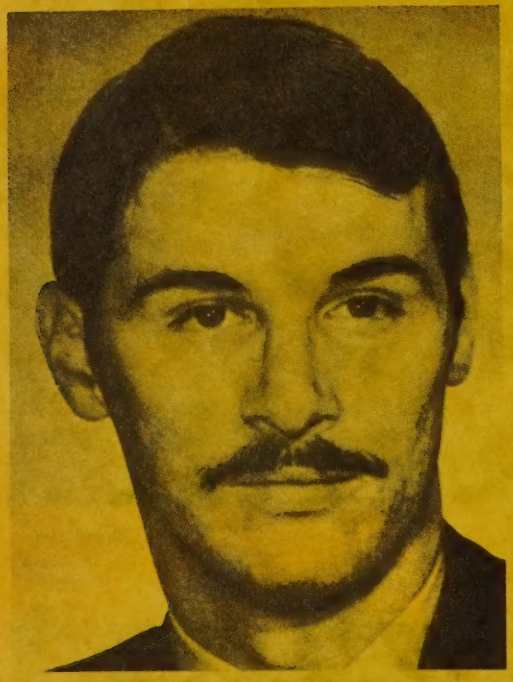
I AM MISSING IN ACTION (MIA)

I AM ONE OF 1359 MISSING

I AM ALSO A HUMAN BEING

THOSE OF US, STILL ALIVE, ARE PRAYING TO COME HOME SOON

THOSE OF US, STILL ALIVE,
ARE PRAYING TO COME HOME SOON



The above men are a few of the 1359 men still unaccounted for in Vietnam.

The question that continues to plague the wives, parents, and children of these men is this: Is it possible that any of the missing men are still alive and in communist hands?

There is only one logical answer: "Yes, it is possible." No one can dispute certain facts:

—Some of the men who are still missing are known to have been alive and in communist hands at one time.

—Some of the men were photographed in captivity. The U.S. Government has copies of the photographs.

—In other cases, the enemy issued propaganda releases including photographs of the official Armed Forces I.D. cards of certain men, stating that the men had been taken prisoner. Our government also has this information in its possession.

—In still other instances, the enemy made radio broadcasts announcing the capture of American servicemen. The United States monitored these broadcasts.

Where are these men and why must their families be kept waiting? Write VIVA and find out what you can do to help.

Where Are The Missing?

Where is your father, your husband, your brother, your son?
Will he be with you tonight when this long day is done?
His country called and sent him off to war,
Packed him off to some strange land
And now we've closed the door.
What kind of people are we, who send our men to a life of strife,
And when they're captured, not care about their life?
Over 1300 men are missing in action today,
53 at least still prisoners of war, why should it be that way?
Their families are suffering, but much more than that,
Their own country has deserted them—stabbed them in the back.
Where are these men now? Only Hanoi knows.
All America says is, "That's the way it goes."
Where is your father, your husband, your brother, your son?
Will he be with you tonight when this long day is done?

This poem, by Mark Shoemaker, was written the day before he assumed the role of an American POW in a bamboo cage. It illustrates the depth of his concern and love for his fellow men. This float, a grim reminder of what it means to be a prisoner of war, was the lead float in the Veteran's Day Parade held on October 22, 1973 in Columbus, Ohio. Presented by the Ohio Chapter, National League of Families.

We urge all Americans to continue to support the cause of our missing Americans (MIAs). They must not be forsaken.

I cry out for the POW's who have returned . . . thank you, God!

For those of us, who are still waiting . . . please, God!

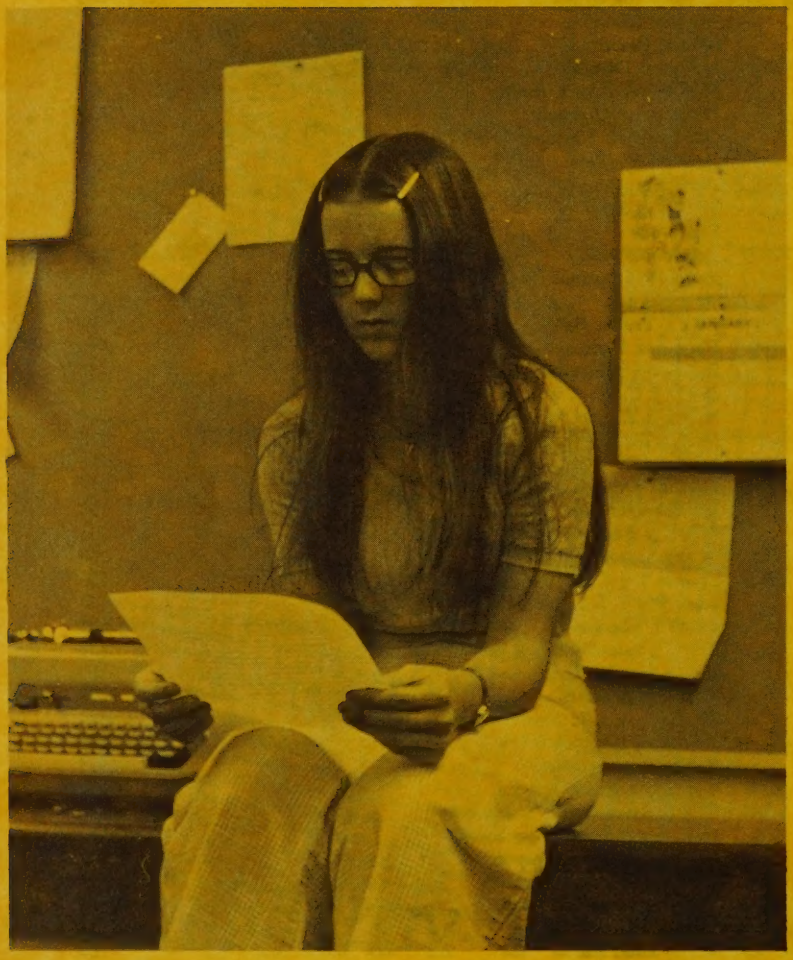
Reflections



Preserving the many unforgettable moments, in pictures and words, occurring during the course of one school year unfolds the basic purpose behind the 1974 Buckeye REFLECTOR. Each page is filled with faces of those who represent the constructive accomplishments of the entire student body, faculty, and administration in their efforts to make the days at Buckeye a once-in-a-lifetime learning experience.

The 1974 REFLECTOR staff wishes to thank the faculty for their never-ending patience and cooperation despite frequent interruptions necessary in composing the yearbook. Also, a special thank-you goes to Mrs. Leach, advisor, for her ability to cope with the many frantic situations which confronted the yearbook staff.

In conclusion, we proudly present this 1974 edition of the REFLECTOR to you.
